VILLAGE ON THE THAMES

What home should feel like

Imagine a home within a caring community, where each person matters, friendships flourish and life is enriched. That home is Village on the St. Clair. We offer a warm and comfortable atmosphere with a friendly and professional staff.

There is a certain joy to living at Village on the St. Clair; it comes from the warm surroundings, the friendly people and the freedom to embrace life without the burdens of daily chores. Residents have plenty of time to enjoy each day visiting with friends and participating in activities.

To add to the comfort of living at Village on the St. Clair the dedicated staff are ready to assist residents on a moment's notice – around the clock. This welcoming and supportive environment redefines the notion of independent living with the comfort and security of knowing we are always there.
